

**Golf is a challenging, life long sport.**

### TYPICAL DAILY SCHEDULE

A typical day at Foster's includes practice clinics, chipping and putting contest, time at the driving range and at least 9 holes of golf with instruction appropriate to either the beginner or advanced student. The Camp Bus arrives at Derryfield Park and Baseball Field in Manchester at 7:30 AM and awaits the arrival of campers. The bus leaves promptly at 8 AM every weekday and drives to one of four different New England par 3 courses. Foster's bus is equipped with a large screen TV with surround sound for reviewing training films or movies during the ride to and from the day's course.

### AFTER GOLF FIELD TRIPS

Wednesdays, campers take a break and are bused to Weir's Beach to enjoy recreation time with new friends. Friday's field trip is to Fun Spot where daily scores are tallied and the top three scoring boys and girls are awarded trophies at a special awards ceremony. All campers are presented with a Certificate of Achievement and look forward to this time honored tradition!

## PHILOSOPHY

Our objective at Foster's Golf Camp is to provide junior golfers with a better understanding and a greater appreciation for the game of golf. We offer a learning environment emphasizing solid fundamentals and an opportunity to improve skills, while having fun. Golf is a sport that helps in developing self-discipline and self-confidence- lifetime traits that are so very important for every individual. We instill in each junior a positive attitude and the belief that with proper instruction and teaching methods, all golfers have the ability to be better players.

*We welcome the opportunity to teach your child.*
